Corporate Finance | Financial Services | Credit & Funding Structuring | Strategic Partnerships

Finance professional with 10+ years of experience across financial services, fintech, digital banking, payments, and software-enabled businesses in Latin America and the United States. Experience supporting the origination, analysis, and structuring of credit-related solutions, borrowing-based funding alternatives, business cases, and financial projections. Track record in senior client relationship management, commercial negotiations, P&L ownership, forecasting, and regulated financial-services environments. Solid foundation in corporate finance, valuation, investment analysis, risk assessment, and lender-facing documentation.

WORK EXPERIENCE

Partner Colombia 06/2021-Present

Alma Partners

- Advise clients on the structuring of borrowing-based funding alternatives, including syndicated credit preparation, bilateral financing options, lender mapping, debt capacity analysis, repayment scenarios, and use-of-funds rationale.
- Prepare business cases, financial projections, unit economics, and risk assessments to evaluate feasibility, profitability, repayment capacity, and execution requirements for credit products and funding structures.
- Develop credit-style decision materials for senior stakeholders, including transaction overview, borrower profile, financial analysis, proposed structure, key risks, mitigants, and implementation considerations.
- Coordinate financial and legal documentation inputs with client teams and advisors, reviewing commercial terms, operating obligations, and documentation needed for lender or banking processes.
- Work with fintechs, financing companies, and financial cooperatives across LATAM on credit-related products, banking partnerships, KYC needs, operating models, and discussions with financial institutions.

Regional Director Latin America

Postindustria Inc. USA 04/2023- 11/2024

- Led LATAM regional operations for high-value outsourcing and delivery engagements serving large international clients, including companies within the S&P 500 environment.
- Owned regional P&L, gross margin, contribution margin, forecasting, resourcing, compliance, and executive reporting cadence to stakeholders in the US and Europe.
- Managed complex multi-country engagements and senior client relationships, coordinating cross-functional teams across design, data, engineering, and QA to deliver projects on scope, timeline, and budget.
- Supported commercial proposals, financial planning, and client discussions involving budget, ROI, and financial justification for strategic digital and fintech-related initiatives.

CEO USA 01/2021-04/2023

Adasoft Inc.

- Built and led the commercial function, pipeline development, and full-cycle business development across fintech and digital finance clients, generating over \$5M in pipeline across 10+ US accounts.
- Led client engagements for lenders, issuers, acquirers, neobanks, and embedded-finance players, covering discovery, proposal development, scope definition, negotiation, delivery oversight, and account growth.
- Incorporated pricing models, transaction economics, implementation economics, and revenue projections to support client decision-making and solution design.

Chief Growth Officer Colombia 02/2019-01/2021

Le Gift

- Drove partnership led growth by negotiating 50+ partnerships and 20+ B2B agreements, contributing to 140% YoY sales and engagement growth and a 3.5x exit.

Head of Product and Sales Colombia 08/2015- 02/2019

Tiempo de Leer Publishing House

- Secured 6 international agreements across Finland, Turkey, Japan, Italy, Chile, and El Salvador, supporting international expansion
