Customer Success & Strategic Accounts Leader | FinTech SaaS | US Enterprise Clients | MSc in Finance

Client and account growth leader with an MSc in Finance and 10+ years of experience managing US and Latin American clients across fintech, software services, and digital finance environments. Strong track record leading complex enterprise relationships, cross-functional delivery, and account growth across high-value engagements. Comfortable engaging CFOs, finance leaders, and executive stakeholders around cash flow, forecasting, cost structure, collections, reporting, and business value.

WORK EXPERIENCE

Partner Colombia 06/2021-Present

Alma Partners

- Advise fintech and digital finance companies on forecasting, collections, reporting automation, cost structure, funding strategy, and growth priorities.
- Lead finance-oriented conversations with founders, CEOs, CFOs, and operating teams around cash flow visibility, business viability, payer mix, and capital allocation decisions.
- Support digital finance initiatives across accounts, cards, credit, sponsor bank partnerships, onboarding, and open finance APIs.
- Translate business and finance requirements into clear priorities for product, data, and technology teams.

Regional Director Latin America

Postindustria Inc. USA 04/2023- 11/2024

- Managed a portfolio of 20+ enterprise accounts across the US and LATAM, with weekly reporting cadence to stakeholders in the US and Europe, owning forecasting, resourcing, compliance, and QBRs.
- Led multi-country delivery and account oversight for complex engagements with contract values up to \$8M ARR, including large-scale enterprise environments such as OpenX and Glamira.
- Coordinated cross-functional teams across design, data, engineering, and QA while maintaining alignment with customer priorities, delivery timelines, and business expectations.
- Supported renewal, account continuity, and expansion conversations across high-touch enterprise accounts, aligning customer priorities with delivery and commercial objectives.
- Directed P&L, budgeting, and financial oversight, improving forecast accuracy, utilization, and resource optimization.

CEO USA 01/2021-04/2023

Adasoft Inc.

- Managed a portfolio of 50+ US client accounts across software services and fintech solutions, combining commercial ownership, delivery oversight, and long-term account development.
- Supported enterprise and growth-stage accounts with contract values up to \$1.3M ARR, maintaining stakeholder alignment, delivery quality, and account continuity over time.
- Built and delivered fintech solutions including payment gateways, wallets, and integrations across ACH, card, and blockchain-based rails depending on the customer use case.
- Led architecture optimization and product improvement initiatives that translated technical work into measurable business value through cost reduction, scalability, and operational efficiency gains.
- Supported account expansion and long-term commercial continuity by identifying evolving customer needs, aligning delivery with business goals, and helping shape broader solution scope over time.

Chief Growth Officer Colombia 02/2019-01/2021

Le Gift

- Drove partnership led growth by negotiating 50+ partnerships and 20+ B2B agreements, contributing to 140% YoY sales and engagement growth and a 3.5x exit.

Head of Product and Sales Colombia 08/2015- 02/2019

Tiempo de Leer Publishing House

- Secured 6 international agreements across Finland, Turkey, Japan, Italy, Chile, and El Salvador, supporting international expansion
