Senior Operations Executive | Outsourcing Operations | Remote Team Leadership | Client Delivery

Operations executive with 10+ years of experience leading day-to-day business operations, remote teams, and outsourcing delivery models across Latin America and the U.S. Proven track record aligning staffing, sales, marketing, finance, product, and delivery functions in fast-paced tech-enabled service businesses. Experience managing regional P&L, contribution margin and gross margin targets, improving accountability through KPIs, and strengthening client delivery across staffing and project-based models.

WORK EXPERIENCE

Director Colombia 06/2021-Present

Alma Partners

- Advise fintech, digital banking, and technology clients on project structuring, operating models, financial strategy, and process design across accounts, cards, credit, KYC, onboarding, and open finance workflows.
- Lead engagements involving cash flow analysis, financing strategy, investment structuring, and business planning to support expansion, capital raising, and more efficient operating performance.
- Support clients in evaluating growth opportunities, capital needs, and investment priorities through financial modeling, strategic analysis, and execution planning.

Regional Director Latin America

Postindustria Inc. USA 04/2023- 11/2024

- Led all LATAM outsourcing operations supporting U.S. client projects for S&P 500 companies, managing a 20-person distributed team across engineering, QA, data, and design while coordinating staff augmentation and dedicated team models, delivery governance, resource allocation, and performance management for high-ticket engagements.
- Owned regional P&L, contribution margin, and gross margin targets for LATAM operations, overseeing budgets, forecasting, staffing mix, delivery economics, and executive reporting.
- Established operating cadences and executive reporting on pipeline, staffing fill rates, bench utilization, project readiness, compliance, budgets, and QBRs for leadership in the U.S. and Europe.
- Drove workflow optimization across onboarding, scoping, resource planning, project governance, and client communications, improving accountability, forecast accuracy, operational visibility, and client satisfaction across active enterprise accounts.

CEO USA 01/2021-04/2023

Adasoft Inc.

- Built and expanded a technology outsourcing business from Latin America into the U.S. market, serving clients in AI, fintech, and custom software development, and generating more than USD 5M in commercial pipeline across 10+ U.S. accounts.
- Led a 40-person organization, including 5 managers, across sales, marketing, product, engineering, and finance, translating revenue targets into operating plans, headcount priorities, and execution workflows.
- Directed both project-based sales and staffing models, designing and standardizing processes for lead qualification, proposals, staffing, onboarding, delivery follow-up, and account management.
- Supervised P&L and fiscal returns across LATAM and U.S. entities, aligning pricing, resourcing, delivery quality, and account growth with business goals and market expansion priorities.

Chief Growth Officer Colombia 02/2019-01/2021

Le Gift

- Drove partnership led growth by negotiating 50+ partnerships and 20+ B2B agreements, contributing to 140% YoY sales and engagement growth and a 3.5x exit.

Head of Product and Sales Colombia 08/2015- 02/2019

Tiempo de Leer Publishing House

- Secured 6 international agreements across Finland, Turkey, Japan, Italy, Chile, and El Salvador, supporting international expansion
