Business Finance Leader | Corporate Finance, FP&A and Strategic Finance

Business finance and strategic finance professional with 10+ years of experience across Latin America and the United States, supporting growth, financial performance, and operating decision-making in fintech, software services, digital banking, and international business environments. Experience includes regional P&L ownership, budgeting, forecasting, margin management, executive reporting, business performance reviews, and cross-functional leadership across finance, operations, sales, delivery, and product. Strong track record translating business complexity into finance-related transformation initiatives.

WORK EXPERIENCE

Partner Colombia 06/2021-Present

Alma Partners

- Advise financial institutions, fintechs, and digital banking initiatives across LATAM on strategic finance, operating model design, and business performance priorities, including product economics, forecasting needs, reporting structures, and growth planning.
- Support financial and operational analysis for initiatives involving accounts, cards, credit solutions, sponsor bank partnerships, KYC and onboarding journeys, and open finance APIs, helping leadership teams translate business requirements into scalable and financially sound models.
- Work on finance transformation and analytics use cases, including forecasting, reporting automation, collections analytics, credit and risk models, fraud detection, and AI-enabled finance decision tools.
- Contribute to business case development, performance visibility, and decision support materials for financial products and technology-enabled operating environments.

Regional Director Latin America

Postindustria Inc. USA 04/2023- 11/2024

- Owned regional P&L, budgeting, forecasting, gross margin, contribution margin, resourcing, compliance, and executive reporting for LATAM operations, supporting leadership decision-making across international accounts and regional delivery performance.
- Worked in environments using Oracle Hyperion EPM, supporting reporting, performance visibility, and finance-related analysis alongside Excel, Power BI, and HubSpot
- Led monthly business reviews and performance tracking across revenue, margins, utilization, staffing, and operational risks and opportunities, with regular reporting cadence to stakeholders in the US and Europe.
- Managed a 20-person regional structure and coordinated cross-functional teams across design, data, engineering, and QA, ensuring delivery execution remained aligned with financial targets, budget discipline, and client commitments.

CEO USA 01/2021-04/2023

Adasoft Inc.

- Supported corporate finance-oriented decision-making through financial modeling, business case structuring, and operating analysis for growth, delivery, and investment-readiness initiatives.
- Led financial and commercial planning for the business, including pipeline management, forecasting, pricing discussions and performance visibility across 10+ US accounts, generating over \$5M in pipeline.
- Directed client engagements for payment and card-related solutions, covering discovery, proposal development, scope definition, negotiation, delivery oversight, and account growth, with exposure to regulated environments and financial infrastructure.
- Supported pricing and resource allocation decisions through financial modeling and performance analysis.

Chief Growth Officer Colombia 02/2019-01/2021

Le Gift

- Drove partnership led growth by negotiating 50+ partnerships and 20+ B2B agreements, contributing to 140% YoY sales and engagement growth and a 3.5x exit.

Head of Product and Sales Colombia 08/2015- 02/2019

Tiempo de Leer Publishing House

- Secured 6 international agreements across Finland, Turkey, Japan, Italy, Chile, and El Salvador, supporting international expansion
